Dear Griggs Injury Law, LLC,

Special Olympics Kansas, Inc. wishes to thank you for your recent \$ [REDACTED] donation. Without support like yours, we simply would not have the ability to enhance and expand our mission throughout Kansas! But don't just take our word for it! Please read the message below from one of our amazing athletes, Kasey Morris from the Manhattan Sports Club:

Thank you so much for your support of Special Olympics Kansas. I love being a part of this organization as an athlete and have been provided so many neat and amazing experiences! Thank you again for helping people like me be active and healthy and helping to move us from the sidelines to the playing field!

Your generosity has helped Kasey and more than 4,200 Kansans with an intellectual disability in each of their hometowns in the Sunflower State. But we know many more can benefit from our services. With partners like you by our side, we know we can achieve great things! **Together, we are ONE TEAM!**

Thank you,

John Lair
President and CEO
